

Are you a female filmmaker currently residing in the Kingdom of Saudi Arabia? The Sunflower Seed Foundation (SSF) would like to feature you in our upcoming Spotlight Series on instagram!

The SSF is selecting 10 up-and-coming Saudi female filmmakers to tell us about their experience, achievements, and goals in the field of film. Each filmmaker will receive their own profile piece on the SSF instagram page to shine the spotlight on their talents and dreams.

How To Get Involved

1. Follow [@sunflowerseedfoundation](https://www.instagram.com/sunflowerseedfoundation) on instagram and direct message us that you are interested in participating in our Saudi female filmmaker spotlight series
2. Schedule a 15-30 minute virtual interview with the SSF Publishing Team to tell us about yourself and your experience in film
3. Provide the SSF with a headshot and/or other photo(s) of yourself and your work to accompany the spotlight piece
4. See yourself in the spotlight on the SSF instagram page and share it with your friends and family!

Who Can Apply

Any female filmmaker currently residing in the Kingdom of Saudi Arabia who is over the age of 18 and has dreams of building a fruitful career in the film industry.

Purpose for the Spotlight Series

The SSF has developed the Spotlight Series in alignment with our mission of validating and inspiring the talents and dreams of female filmmakers from Saudi Arabia. We aim to use our platform to call attention to, and cheer on, the hardwork and achievements of Saudi women in the film industry.
